

TABLE OF CONTENTS

Acronyms and Abbreviations	vii
Introduction	xi
Chapter 1 The Development of Drones	1
1.1 History of Drones	1
1.2 Terminology	10
1.3 Applications	16
Chapter 2 Legal Basis for Drone Operations	33
2.1 Introduction	33
2.2 Outline of ICAO UAS Regulatory Framework	37
2.3 EASA Rule-Making Process on Drones	50
2.4 FAA Drone Rules and Access to the National Airspace System	96
2.5 Future Considerations	125
Chapter 3 Commercial, Private and Sports Use	133
3.1 Commercial Drone Utilization	133
3.2 Private Drone Use	141
3.3 Drones in Sports	148
Chapter 4 Integration into Airspace	155
4.1 Access to Airspace	155
4.2 Safe Integration of Drones into the Single European Sky	163
4.3 RPAS Integration Alongside Manned Aviation	170
4.4 U-Space	185
4.5 Preserving Airspace Access	219
Chapter 5 Safety Requirements in UAS Operations	229
5.1 Introduction	229
5.2 Remote Pilot Requirements	230
5.3 UAS Operator Requirements	237
5.4 Technical Requirements	244
5.5 Operational Use	254
Chapter 6 Privacy, Data Protection and Security	269
6.1 Privacy and Data Protection	269
