

TABLE OF CONTENTS

Prologue	11
1 Introduction	13
1.1 Setting the Stage: Attracting International Organizations	13
1.2 Governance Network Approach	15
1.3 Research problem and questions	17
1.4 International Organizations	18
1.5 Interurban competition to host IOs	21
1.6 Research approach	22
1.7 The contribution of this work	24
1.8 The outline of this book	25
2 Theoretical background	27
2.1 Introduction	27
2.2 Governance networks	27
2.3 The instrumental perspective	29
2.4 The discursive perspective	32
2.5 The relational perspective	34
2.6 Network success or failure?	39
2.7 Conclusion	41
3 Research design and operationalization	45
3.1 Introduction	45
3.2 Selection of cases	46
3.3 Data collection	49
3.4 Operationalization	51
3.4.1 Operationalizing the success variable	52
3.4.2 Operationalizing the instrumental perspective	52
3.4.3 Operationalizing the discursive perspective	55
3.4.4 Operationalizing the relational perspective	57
3.5 Conclusion	60
4 Geneva	63
4.1 Switzerland and Geneva	63
4.1.1 Case 1: The Green Climate Fund	65
4.1.2 Case 2: The Arms Trade Treaty Secretariat	68
4.2 Instrumental perspective	72
4.3 Discursive perspective	85

4.4	Relational perspective	90
4.5	Conclusions Switzerland and Geneva	96
5	The Hague	99
5.1	The Netherlands and The Hague	99
5.1.1	Case 1: The International Criminal Court	100
5.1.2	Case 2: UNICEF Private Fundraising and Partnerships	105
5.2	Instrumental perspective	108
5.3	Discursive perspective	123
5.4	Relational perspective	128
5.5	Conclusions the Netherlands and The Hague	133
6	Vienna	135
6.1	Austria and Vienna	135
6.1.1	Case 1: The Arms Trade Treaty Secretariat	137
6.1.2	Case 2: Sustainable Energy for All	139
6.2	Instrumental perspective	142
6.3	Discursive perspective	153
6.4	Relational perspective	158
6.5	Conclusions Austria and Vienna	163
7	Copenhagen	165
7.1	Denmark and Copenhagen	165
7.1.1	Case 1: United Nations Office for Project Services	166
7.1.2	Case 2: Sustainable Energy for All	170
7.2	Instrumental perspective	172
7.3	Discursive perspective	184
7.4	Relational perspective	190
7.5	Conclusions Denmark and Copenhagen	195
8	Comparative analysis	197
8.1	Introduction	197
8.2	Measures of Success	197
8.3	Policy design and perception	199
8.4	Similar perceptual frames	203
8.5	Network characteristics	207
8.6	Conclusion	220

9	Conclusions and discussion	223
9.1	Introduction	223
9.2	Reflection on the findings	223
9.3	Theoretical implications	225
9.4	Practical implications	231
9.5	Limitations and future avenues	233
	Epilogue	235
	References	237
	Appendices	251
